July 20, 2005

Dear Sir or Madam:

The staff of the Air Resources Board will hold a meeting to discuss issues regarding the development of changes to the California Predictive Model for California reformulated gasoline. This will be the first meeting of the predictive model workgroup. This meeting will be held on the same day as, but prior to, the upcoming workshop on regulatory and non-regulatory fuels activities. Attendees of the workgroup meeting are encouraged to attend the afternoon workshop, if possible.

A tentative agenda is provided as an enclosure. A revised agenda may be released prior to the meeting. For more information regarding the California Predictive Model, you may visit the Predictive Model webpage at <http://www.arb.ca.gov/fuels/gasoline/premodel/premodel.htm>.

The time and place of the workgroup meeting are shown below:

Date: Tuesday, August 2, 2005
Time: 9:00 a.m. to 11:30 a.m.
Location: California Environmental Protection Agency
1001 "I" Street, Third Floor
Conference Room 350
Sacramento, California 95814

If you have a disability-related accommodation need, please go to <http://www.arb.ca.gov/html/ada/ada.htm> for assistance or contact the ADA Coordinator at (916) 323-4916. If you are a person who needs assistance in a language other than English, please go to <http://inside.arb.ca.gov/as/eeo/languageaccess.htm> or contact the Bilingual Coordinator at (916) 324-5049.

To participate by teleconference, dial (800) 857-1738 and give the participant code: 14497 and leader name: Steve Brisby.

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our Website: <http://www.arb.ca.gov>.
